

The Most Secure Small Bottle for Liquid Packing

When carrying precious liquids like Zam Zam water or travel toiletries, you need a bottle that won't leak. **NESTRO 60ml Mini Plastic Bottle** features a specialized **White Sealing Cap** that locks in freshness and prevents spills, giving you total peace of mind.

Why the White Sealing Cap Matters:

- **100% Leakproof Design:** The white screw cap is engineered to seal tightly against the bottle neck, ensuring zero leakage in your suitcase or pocket.
- **Airtight Freshness:** Keeps contents like Zam Zam water, rose water, or health shots fresh and pure by blocking out air and contaminants.
- **Clean & Hygienic:** The clinical white cap offers a clean, professional look suitable for religious gifts, medical samples, or food items.

Versatile Usage Scenarios:

- **Hajj & Umrah:** The trusted choice for distributing Zam Zam. The secure seal ensures the holy water remains pure.
- **Travel Toiletries:** TSA-friendly (under 100ml). Perfect for shampoo, lotion, or sanitizer without the risk of messy bag spills.
- **Health & Wellness:** Ideal for storing daily ginger shots, turmeric juices, or immunity boosters (Food Grade PET).
