

## Beauty Products, Hair Care & Skin Care Packing Bottles

**Upgrade your packaging game with our premium, food-grade plastic bottles.**

Whether you are launching your own hair oil brand or packing for your next adventure, these durable flip-top bottles are designed to perform.

### Why You'll Love These Bottles

- **Leak-Proof Promise:** The secure flip-top cap snaps shut tightly, ensuring your oils, shampoos, and lotions stay inside the bottle—not all over your bag. Perfect for safar (travel) and gym kits.
- **Crystal Clear Clarity:** Show off the rich golden color of your DIY onion oil or the texture of your homemade lotions. The transparent body makes it easy to see when you need a refill.
- **Squeeze-Friendly & Durable:** Made from high-quality, flexible food-grade plastic that doesn't crack when squeezed. Get every last drop of your product out.
- **Versatile Sizes:** Available in 100ml (Travel/Carry-on friendly), 200ml, and 250ml to suit every need.
- **Made in Pakistan:** Proudly manufactured locally, supporting Pakistani industry with wholesale pricing availability.

### Perfect For:

**Indie Beauty Brands:** Affordable, professional packaging for hair oils, toners, and serums. No scary minimum order quantities.

**Travelers:** TSA-friendly sizes (100ml) for shampoo, body wash, and sanitizer.

**Home Organizers:** Decanting bulk products for a cleaner, aesthetic bathroom look.

**DIY Enthusiasts:** Storing homemade rose water, amla oil, and syrups safely.
