

# Hexagon Glass Jar for Honey, Jams & Desserts Packing

Each jar comes with black metal lid to preserve food, to keep it fresh longer, perfectly satisfying daily storage needs.

**No discoloration:** Don't absorb smells or stains—no frightening discoloration after one too many uses.

**Easy to wash:** Glass has a non-porous surface that doesn't absorb like plastic and can be safely washed at higher temperatures in your dishwasher without melting or warping.

**Fridge safe:** Perfect size and the glass material makes it easy to store in the refrigerator.

**Eco-Friendly:** Made from a completely safe BPA-free food grade material

**Versatile & Multipurpose:** Excellent for kitchen spices, pickles, olives, sauce, gravy, broth, tomato paste, honey, jam, dry powder spices, baby food, half cooked meal, cookies, candies, storing dry kitchen staples, beans, coffee etc.
