

# Commercial-Grade 250ml Packaging Solution

Streamline your production with our **Special 250ml Plastic Bottle**. Engineered for high-velocity filling lines and rugged transit, this bottle is the preferred choice for Pakistani beverage brands, organic oil startups, and religious gifting services.

## Specifications & Compliance:

- **Material:** 100% Virgin PET Plastic (PFA Regulation Compliant).
- **Safety:** BPA-Free and Food-Safe; preserves flavor and shelf-life.
- **Cap System:** Tamper-evident screw cap (Leak-proof for shipping).
- **Neck Finish:** 28mm standard (compatible with most manual/auto fillers).

## Wholesale Use Cases:

- **Beverage Industry:** Ideal for cold-pressed juices, flavored milk, and sodas.
- **Spiritual Services:** The standard size for Zam Zam water distribution (Hajj/Umrab).
- **Personal Care:** Perfect for bulk hair oils, lotions, and chemical-neutral syrups.

## Why Partner with NESTRO?

- **Volume Discounts:** Pricing tiers available for 500, 1,000, and 10,000+ units.
- **Ready Stock:** We maintain high inventory levels for immediate dispatch to Lahore, Karachi, and Islamabad.
- **Shatterproof:** Reduces "Return to Origin" (RTO) rates compared to glass packaging.
